

## Earial - Extrapolate

(Music, arrangement, lyrics: Steven van der Steen © 2005)

something's missing  
dead kin drifting  
so young, i'm half done  
i listen closely

some things - torn away  
paint my music gray

quiet people whisper me rules  
pictures of them make me silent

some things - torn away  
paint my music gray

in me i feel your genes tingling  
bathe me in you

some things - torn away  
paint my music gray
